

Supposedly the first of two, Dr. Pepper has released a tie-in commercial in anticipation for Marvel's The Avengers movie, featuring Stan "The Man" Lee. Seemingly the most recent installment to their "Always One of a Kind" T-Shirt marketing campaign, watch the thirty-second commercial down below! Additionally, I stumbled across licensed USB flash drives, teased earlier this year, now ready for purchase via Dane-Elec. Featuring a realistic replica of Marvel's The Avenger "Big Four" superheroes, Iron Man, Captain America, the Incredible Hulk and mighty Thor, check out the 8-gigabyte USB flash drives below! And lastly, in addition to a new behind-the-scenes still photo featuring writer-director Joss Whedon watching dailies, I also came across a proper resolution of last week's still showcasing Mark Ruffalo's Incredible Hulk. Check them out below! Marvel Studios presents in association with Paramount Pictures "Marvel's The Avengers"--the super
