

Tom Hiddleston had a wonderful night, he took home the prize for Best Newcomer at Empire Awards 2012. In the press room Tom fielded many questions and of course the subject of The Avengers took center stage. The actor reveals that he has seen a rough cut of the film, and says the movie at times is very serious, and then at the drop of a hat it doesn't take itself serious at all. **LOKI & PEGGY CARTER** Marvel's The Avengers picks up when an unexpected enemy emerges that threatens global safety and security. And Nick Fury, director of the international peacekeeping agency known as S.H.I.E.L.D., finds himself in need of a team to pull the
