

Following this recent villain-packed one-sheet, IMAX has released a new poster for The LEGO Batman Movie, spotlighting The Caped Crusader (Will Arnett) and the two budding heroes he'll be "taking under his wing of awesomeness", Robin (Michael Cera) and Batgirl (Rosario Dawson). In the irreverent spirit of fun that made The LEGO® Movie a worldwide phenomenon, the self-described leading man of that ensemble—LEGO Batman—stars in his own big-screen adventure. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up. The LEGO Batman Movie also stars Rosario Dawson (Batgirl), Ralph Feinnes (Alfred), and Mariah Carey (Gotham's mayor). The movie is set to hit theaters February 10, 2017.
