

Warner Bros. has released a brand new pic from their upcoming The LEGO Movie spinoff, which will place the focus on one of the highlights from that flick, Will Arnett's Batman. As expected, this mini-Dark Knight is going to have a lot more than just the Batmobile at his disposal, and this image gives us a glimpse of some of the other land, sea and air vehicles he'll be using to help combat The Joker and the rest of the bad guys in the movie. In the irreverent spirit of fun that made The LEGO® Movie a worldwide phenomenon, the self-described leading man of that ensemble—LEGO Batman—stars in his own big-screen adventure. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up. The LEGO Batman Movie also stars Rosario Dawson (Batgirl),
