

With the reboot hitting cinemas on July 3, 2012, we have now officially entered the last phase of the grueling "waiting period". With the success of Marvel's The Avengers, and the current blitz marketing of Nolan's final Batman chapter the question that poses is..."Will Spidey be acknowledged in that league as well?" Entertainment Weekly's new issue offered some great tidbits from key individuals that revived the franchise. Garfield elaborates on his view of the character, the dynamics with Emma Stone, and the importance of having his predecessor's support. "I honestly still can't wrap my head around the fact that I'm playing this character that's meant so much to me over the years". "Tobey sent an email to one of the producers saying that he thought I was a good choice. That was moving for me, and generous of him. It allowed me to worry about one less thing" "Being with Emma was just as
