Get More: [Movie Trailers](#), [Movies Blog](#) "That's one of the benefits of doing a 'road movie' – that it keeps evolving, it keeps changing," Andrew Lincoln explained in a recent interview with MTV News. "Our dysfunctional family invades another family's world, a seemingly-safe haven, and it's not going to go well..." Of course, he's talking about Hershel's Farm, a location well known to fans of the hit comic book series from writer Robert Kirkman. It's sort of like there was a marriage and there's a step-family," Sarah Wayne Callies added. "It brings a whole lot of fresh blood...and brains and guts." "We're in really good hands – these writers know exactly what they're doing," Jon
