

Our last couple of Power Rangers-related articles spotlighted the supporting characters, but this latest piece of promotional material for the new movie returns the focus to the team of young heroes. It's difficult to get a read on how excited fans are for this. The trailer went down pretty well for the most part, but the recent Alpha 5 concept art was met with derision, and there seems to be a general air of indifference surrounding the movie at this point. Hopefully another trailer showing the team fully suited up and in action will change that. Saban's Power Rangers follows five ordinary high school kids who must become something extraordinary when they learn that their small town of Angel Grove – and the world – is on the verge of being obliterated by an alien threat. Chosen by destiny, our heroes quickly discover that they are the only ones who can save the planet. But to do so they will have to overcome
