Oh, and about the speculation about the batwing...I have no 100% proof, but I have good reason to believe the speculation is true. I'd bet on it. Yeah, overheard some things. Stunt double almost certainly, this girl was ripping it up and down the streets. But then, she got off it and had 2 guys turn it around for her. Well there's no surprises on this suit. Just super tight and very complimentary of her currrrves. Got details on the goggles too, looks like they have night vision or a TFT display on them or something. And I dunno if her lips are naturally super red or not. Looks like she's wearing some lipstick from the 80s. Haha. Oh and a tumbler is driving into the hole. It's already dug. I heard they are filming that tomorrow. Sure enough, bomb truck.
