

Filming In Oakland by falcounderground These fake punches look worse then the Adam West version. I'm sure it'll look good on film, but my one year old niece throws more convincing punches then some of these cops (actors). Why are the cops looking up during this scene? Why are they celebrating? Could the rumored Batcopter be in this scene? Or a Batplane? What could it be? Well whatever it is, they sure seem happy to have it make an appearance.
