

While filming in India offered the first set images, as well a potential scene description, Christopher Nolan's long-awaited film The Dark Knight Rises will be moving production to UK's London, according to sources of Batman-News. I've received word from multiple sources that The Dark Knight Rises will be filming next week on St. John Street in London. The shoot will last about four days, from May 16th until the 20th. Local businesses in the area have been told that they'll hear gunshots during this time. The site further suggest that filming in the area could most likely occur at The Farmiloe Building, which provided the Gotham City Police Station in Batman Begins & The Dark Knight. What do you think? The Dark Knight Rises' story details are underwraps. Although, the films stars Christian Bale, Anne Hathaway, Joseph Gordon-Levitt, Tom Hardy, Gary Oldman, Morgan Freeman, Marion Cotillard, Josh Pence, Nestor Carbonell & Michael Caine,
