

Once again found on the Official The Dark Knight Rises Community, the Batwing is simply titled, 'The Bat' which I suppose is quite a fitting name for it actually. Here's the excerpt: INT GOTHAM-SKYSCRAPER STAIRWELL - Wayne races up the stairs. Fox gamely follows. (scene 247) actors bale, freeman EXT GOTHAM-SKYSCRAPPER ROOFTOP - They get the Bat ready for flight. (scene 248) actors bale, freeman EXT ROOF TOP-SKYSCRAPER - Batman and Catwoman on the roof. He turns and she's disappeared. (scene 100) actors bale, hathaway EXT SKY ABOVE GOTHAM - PLATE: Batman brings the bat towards a landing in Gotham. (scene 124pt) Thanks to Bilad Bhatti for finding the news on Nolan Fans! In other news, BoxOfficeMojo have revealed the official rating for The Dark Knight Rises Prologue, and unsurprisingly it is: PG-13, a 12a rating for my fellow Brits! The only information it gives is why it was rated that way (obviously).
