

Based on the first reactions to The Dark Knight Rises we can expect a truly spectacular third and final film in the Batman series from Christopher Nolan. Also you might be surprised to hear about elements in the film being controversial, while other scenes are so heavy they brought some to tears. The Dark Knight Rises has just finished screening for the press and critics, receiving a STANDING OVATION!!!— Lauren Hiestand (@nickcarterroxs) July 6, 2012 Just finished the screening of Dark Knight Rises...so much awesome...can't wait to see it again. And again.— Tom McAuliffe (@TomMcAuliffe) July 6, 2012 Tom McAuliffe - "9 out of 10 for me. I'd put Amazing Spider-Man at a 7.5 and Avengers at an 8.5" In reaction to who had the best moments - TomMcAuliffe - "Bane for sure." "The trilogy is greater than the sum of its parts, and for me the 3rd was the very best part of the whole
