

Photos Courtesy of SHH's Red Skull From: Red Skull - Batman shoots a batpod shot at a pile of cop cars then charges forward up a car lift for wrecked cars on the batpod and crosses from the lift onto adjacent street. In another take we see him drive past a body on the ground then cops run to the body. It looked like a woman. I got pics. Also I heard on a mic of a crew member that banes stunt double was on a dirt bike. Batmans double was also riding the dirt bike. It was odd looking. Wish I got shots of the "French stuntman" on the dirt bike. He did a few wheelies. I don't know if Batman rides the dirtbike in the movie or if they were practicing. The Batpod shot at the cop cars and then drove up the ramp. In the other takes, it drives past
