

This may be Christian Bale's last Batman film, but the actor was eager to tell Yahoo that he would love to work with Chris Nolan again in the future. Although Nolan will probably hope that Bale will learn to read a script a bit faster as the actor recalls the first time he laid eyes upon *The Dark Knight Rises*. "I usually read and re-read and re-read, so he couldn't believe it, I think. Chris kept walking in, thinking, is he asleep? We started lunchtime, it got dark, and the family was having dinner." While Christian's reading skills would put Speedy Gonzales in a coma, it is his unique approach to acting that has won over critics and fans. He begins each film with the mindset that no one is going to see it. This keeps him from becoming self-conscious, allowing him to take the bold and courageous risks that most actors wouldn't
