

First off, happy birthday to Christian Bale who is celebrating his 38th birthday today. The actor just recently had an interview with Style Magazine in which he gives a very deep and thoughtful view on the profession of acting, and on his own career. I've only included the portions that deal with Batman and his friend and fellow co-star in The Dark Knight, Heath Ledger, but I encourage you to click the link for the full read. Batman is a superhero pare excellence... For me he is an anarchist and a free spirit. He knows that there are parallels between him and his enemies because life is never stable - you always have to fight for it. Keeping in mind that it may never be boring and that nobody is obliging you to behave like a superhero and to always have your muscles flexed and bulging. You were a close friend
