

The Dark Knight Trilogy. A seven year journey from the depths of a Bhutanese prison to the Batcave. A journey showcasing the triumph of good over evil and the consequences that arise from trying to stop it. It's a story about fear, chaos, pain, love, corruption, the consequences of your actions, power and overcoming obstacles. So, now that the trilogy has wrapped up, I thought it'd be a good time to give my own reviews of each film. This is the first of three reviews coming for the trilogy. The Dark Knight: The Dark Knight is, simply put one of the greatest experiences I have had with a film. Even ignoring the story, acting and themes, it's one of the best visual experiences I have had. The IMAX format that takes up roughly 30 minutes of the film is simply breathtaking to see on the silver screen. Watching Batman soar between the
