

Yet another TV spot for The LEGO Batman Movie has been released, and this one focuses on the hero's attempts to find a kick butt theme song for himself. There's plenty of other great footage in here too, and it seems like he's getting on a lot better with Robin here than in the last preview for the movie. In the irreverent spirit of fun that made The LEGO Movie a worldwide phenomenon, the self-described leading man of that ensemble – LEGO Batman – stars in his own big-screen adventure: The LEGO Batman Movie. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up. Based on this new trailer, that's going to be tough for him! Also starring Michael Cera, Rosario Dawson and Zach Galifianakis, The LEGO Batman Movie will be in cinemas worldwide on
