

According to Collider, The Darkness is getting the big screen treatment. Apparently Regency is nearing a deal to obtain the feature film rights with producers David Hoberman and Todd Lieberman (The Fighter, The Muppets, with Total Recall director and Len Wiseman on board also. The mythology heavy comic book - created by Marc Silvestri, Garth Ennis, and David Wohl - focuses on one of the primal forces of the Universe known as "The Darkness", which attaches itself to a human host. The lucky guy in this case is Jackie Estacado, a former hitman for the Franchetti Family mob. For a much lengthier synopsis click the link back to Collider below. More details on the movie adap as we have em.
