

Whether you agree with this or not you have to admit Pace has done a great job emulating Miller's style. There have been numerous responses to both Miller's comments and the subsequent decision to crack down on the protesters in the online/celeb community. We ourselves had our own little barny on the subject the other day, so I post this not to kick all of that off again (although it probably will anyway), I just thought it was pretty cool! Via Bleeding Cool. Visit Pace's blog by clicking on the link below. By TwitterButtons.com
