This from the ever reliable Bill Hunt, the head of The Digital Bits: Our sources are NOW telling us that WHV (and their now in-house New Line label) is ALSO planning to release Peter Jackson's long-awaited The Lord of the Rings Trilogy: Extended Editions on Blu-ray sometime this year. No kidding. We suspect that, now that The Hobbit films are finally about to begin filming, the studio is eager to get more product on store shelves to keep the franchise fresh in the minds of fans. LEEE777 - Well I myself has only the regular DVD's so I'm buying these babies, just been waiting. How about you?
