

In a universe as vast as it is mysterious, a small but powerful force has existed for centuries. Protectors of peace and justice, they are called the Green Lantern Corps. A brotherhood of warriors sworn to keep intergalactic order, each Green Lantern wears a ring that grants him superpowers. But when a new enemy called Parallax threatens to destroy the balance of power in the Universe, their fate and the fate of Earth lie in the hands of their newest recruit, the first human ever selected: Hal Jordan. It's official, screenings for the Martin Campbell directed super-hero flick Green Lantern have officially started and so far things are looking up for the film. While there is still an embargo that wont be lifted until approx. June 12th, meaning no full out reviews until then, that certainly hasn't stopped a few people from taking to their Twitter accounts to share their thoughts on
