

It was previously reported that the first season of Daredevil was actually set to be made available on home release from October 3, but obviously that never happened. However, Marvel has now officially announced that almost 2 years after its debut on Netflix, The Man Without Fear will be making his way to Blu-ray (no word on DVD) on November 8. A list of the special features has not been made available just yet, but we do have some cover art which you can check out below. Marvel's Daredevil, or simply Daredevil, is an American web television series created for Netflix by Drew Goddard, based on the Marvel Comics character of the same name. It is set in the Marvel Cinematic Universe (MCU), sharing continuity with the films of the franchise, and is the first in a series of shows that will lead up to a Defenders crossover miniseries. The series is produced by Marvel Television in association with ABC Studios and
