

Shorter fuse. Bigger bang. Lionsgate has debuted a sweet new poster for John Wick: Chapter 2, which might just give you a Mission: Impossible vibe as it features Keanu Reeves standing tall as a fuse literally prepares to set him off. It also makes you wonder what a travesty it is that we've gotten to 2017 without a single movie starring both Reeves and fellow badass Tom Cruise (The Mummy) as they face-off (or team-up) in a showdown for the ages. Plus, we've received a super awesome behind-the-scenes featurette that shines a spotlight on Reeves and his co-stars as they take us through the ridiculous practical stunt work they completed for the upcoming sequel. Check it out below: [Check out the brand new one-sheet, in ultra hi-resolution, and a second action-packed promo image, below](#) [Legendary hitman John Wick is forced back out of retirement by a former associate plotting to seize control of a shadowy international assassins' guild. Bound by a blood oath to help him, John](#)
