

CBM and many other websites are endanger! In a few days, Senate is going to begin voting on January 24th! Two bills known as the Protect IP Act (PIPA) in the Senate and the Stop Online Piracy Act (SOPA) are going to be on the table! With these two Bills the Government will be able to CENSOR the Internet and can BLOCK websites for copyright infringement!! I never posted or even commented on an article before, and I just recently made an account lol. But I been part of the CBM family for about 7 years now and I been through it all with you guys! All the badass Spoilers, to the epic sneak previews that gets removed not even ten minutes from being posted, and even the fun polls and editorials!! I love reading the comments and hearing everybody opinions! I see you all as family!
