

Next week's episode of Supergirl will feature the debut of the villainous Parasite, but to keep us going until then, we have a cool new promo poster which puts the spotlight on Melissa Benoist's Girl of Steel taking flight above National City. It's a great shot of the character striking an iconic pose, but here's hoping we'll get a poster of her standing alongside Green Arrow and The Flash before that upcoming crossover, eh? That's something which will definitely be wallpaper worthy for DC Comics and TV fans. Last night's episode of Supergirl featured a pretty significant twist as Alex Danvers came out of the closet to Maggie Sawyer, and you can read more on that here. What do you think of this poster? THE GUARDIAN DEBUTS IN NATIONAL CITY – The Guardian debuts to lend a hand after a parasite alien drains Supergirl (Melissa Benoist) of her power. Mon-El (Chris Wood) considers a less than desirable new career which then leads him
