

Chances are the first trailer for Thor: Ragnarok will be released to coincide with Guardians of the Galaxy Vol. 2 this May, but for now, we have a behind the scenes image to go with that revealing synopsis. This doesn't exactly reveal much about the highly anticipated Phase 3 release, but chances are that it's a scene which takes place before the God of Thunder is sent to take on The Hulk. As you can see, Thor: Ragnarok helmer Taika Waititi is directing the action here, but I'm a little distracted by the fact that the guy standing to Hemsworth's left looks a lot like Arrow's Stephen Amell! With any luck, more from the movie is going to be released in the next few months, but this is a pretty good start. What are you most looking forward to seeing in the God of Thunder's next movie? Do you like his new costume? As always, sound off with your thoughts in the comments
