

The Flash is not just one man, or woman (yes there are female Flash(s), but a family of Super-Human Scarlet Speedsters that span generations. Jay Garrick is the original Flash of the Golden Age and the founding member of the Justice Society of America (JSA). Barry Allen is of the Silver Age, friend of Green Lantern, and a founding member of the JLA (we all know what that is, right?) Wally West, Barry Allen's nephew also known as Kid Flash, succeeded Barry after he sacrificed himself to save the Universe. Bart Allen is the fourth Flash and Grandson of Wally West.
