

A full theatrical trailer for James Gunn's Guardians of The Galaxy Vol. 2 should be with us before the end of the year, but for now we have this awesome LEGO-fied version of the recent teaser from the talented folks over at Huxley Berg Studios. It's a near-perfect recreation of the official footage, with minifig versions of Star Lord, Drax, Gamora, Rocket, Baby Groot and co. doing their thing. The first teaser didn't give a whole lot away and was really just a little something to reacquaint fans with the core team - but the full trailer should give us a much better idea of the plot, and will likely provide us with our first official glimpse of Ego (Kurt Russell) and Mantis (Pom Klementieff), too. Keep an eye on CBM for updates on that, and in the meantime check out the LEGO teaser below. Starring Chris Pratt, Zoe Saldana, Dave Bautista, Bradley Cooper, Vin Diesel, Karen Gillan, Michael Rooker, Pom Klementieff, Elizabeth Debicki, and
