

Jared Leto went method to play The Joker, but seeing as most of his performance ended up on the cutting room floor, an argument could be made that, well, he wasted his time! With any luck, we'll get to see more of The Joker in the recently announced extended version of Suicide Squad, but for now, photographer Clay Enos has shared this very cool behind the scenes image of the actor in character. 10 Amazing Facts You Probably Didn't Know About BATMAN's Greatest Villain THE JOKER Leto is pictured as The Joker inside the helicopter which is ultimately gunned down by A.R.G.U.S. What happened next to the villain is a mystery due to reshoots removing the scene where he returns to confront Task Force X and Harley Quinn. That making it into the extended edition would be great, but who knows at this point! We'll have to wait and see, but for now, enjoy the new image below. The Joker climbing the walls of
