

The LEGO Batman Movie is the first of 2017's superhero movies, and so far, it definitely looks like the most fun! Following the release of a TV spot focusing on the Dark Knight's "kick butt" theme song, the latest features an appearance from the Justice League along with some big name Batman baddies! In the irreverent spirit of fun that made The LEGO Movie a worldwide phenomenon, the self-described leading man of that ensemble – LEGO Batman – stars in his own big-screen adventure: The LEGO Batman Movie. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up. Based on this new trailer, that's going to be tough for him! Also starring Michael Cera, Rosario Dawson and Zach Galifianakis, The LEGO Batman Movie will be in cinemas worldwide on February 10th, 2017. Let us know
