

The early buzz surrounding Legendary's Kong: Skull Island has been mostly positive, which certainly bodes well for the film's chances when it stomps its way into theaters in just under a month. Two new international posters for the Jordan Vogt-Roberts-directed film have now surfaced, with the first one featuring the title character towering above all of Skull Island while eyeballing a few new helicopter toys. The second is slightly more intimate as we see both Brie Larson (Captain Marvel) and Tom Hiddleston (Thor: Ragnarok) interact with the beast for the very first time. Check them out below:

Kong: Skull Island reimagines the origin of the mythic Kong in a compelling, original adventure from director Jordan Vogt-Roberts. In the film, a diverse team of explorers is brought together to venture deep into an uncharted island in the Pacific—as beautiful as it is treacherous—unaware that they're crossing into the domain of the mythic Kong.

Kong: Skull Island features: Director: Jordan Vogt-Roberts Tom Hiddleston as Captain James Conrad Samuel L. Jackson as Lt. Col Packard Brie
