Executive Producer Jerry Bruckheimer tonight took to Twitter and invited his 39,816 followers to check out his newly redesigned official site. While there is no new info on the film, it now has an official logo. Below, you can check out the full-scale version. Bruckheimer will be producing with his Pirates of the Caribbean colleagues Johnny Depp, Gore Verbinski for The Lone Ranger. Depp will be playing Tonto, while the lead role is yet to be cast.
