

I needed a break on my features of Marvel and DC characters, so here's one about a Dark Horse character. I would assume that a lot of you would remember this character, but since 1994 and even 2005 there have been a lot more geeks that were born, so this might be their first introduction to this character. Who is the Mask? The character is an odd anti-hero with elements of Steve Ditko's character - the Creeper and Batman's arch-enemy The Joker. He is able to change appearance and mysteriously disappear after each adventure. He does this by way of an enchanted jade mask. The Mask was created by writer John Arcudi and artist Doug Mahnke, and based on a concept by publisher Mike Richardson. His first appearance was Dark Horse's Mayhem #1 (1989). What are the Mask's Power and Abilities? The wearer of the Mask has cartoon like powers, think
