

It doesn't appear as if Legion will stick too closely to either the X-Men Universe or comic books that the character hails from, but that doesn't mean it won't still be amazing! If nothing else, it certainly has one of the coolest posters for any upcoming superhero project as David Haller's mind is, well, blown! Legion is the story of a troubled young man who may be more than human. It introduces the story of David Haller, who since he was a teenager, has struggled with mental illness. Diagnosed as schizophrenic, David has been in and out of psychiatric hospitals for years. But after a strange encounter with a fellow patient, he's confronted with the possibility that the voices he hears and the visions he sees might be real. It's a cool premise, but looks a lot different to the X-Men movies. Created by Fargo's Noah Hawley, Legion stars Dan Stevens in the title role and has a great ensemble cast made up of Rachel Keller, Aubrey Plaza, and
