

The latest batch of promotional material for The Muppets is once again in the vein of parody and takes a good natured swipe at Twilight. These character posters tie in with the final parody trailer for the movie entitled "Breaking Prawn". See what they did there? If you haven't seen the trailer yet check it out below.. The Muppets arrives in theaters November 23rd and has been receiving great praise from critics. Breaking Dawn hits this coming weekend and so far, has not. By TwitterButtons.com
