

First of all, I personally would have rather seen a Kree/Skrull set up in this film, but that's not going to happen. And YES, perhaps it is too early for something of that magnitude and blah blah blah. The two major candidates in recent discussions seem to narrow down to The Badoon and the Knights of Wundagore. So if it were my choice between the two I'd probably rather go with the Badoon. However, from what I've seen, the only thing that seems kind of Badoon'ish (if you will) is SOME of the weaponry and the purple blood we've seen splatted all over Cap and Thor..

With that being said, lets move on to why I'm leaning more in the other direction.. 1. "WHO EVER SAID THEY WERE ALIENS" Do you recall the interview when Joss Whedon said: "Who ever said they were aliens" I do.. It was a response in reference to
