

When Green Arrow heads off on a secret mission for Diggle, his new team of recruits are going to be left to protect Star City all on their own, but will they be able to step up and save the day? That remains to be seen, but it sounds like we'll find out one way or another when this instalment of Arrow airs. This one goes out on October 26th and is titled "Penance." After Arrow returned with surprisingly low ratings, it's essential that it maintains the quality of the premiere if there's any hope of those numbers saying steady. Will fans who gave up on the show after the death of Black Canary return though? OLIVER STEPS IN FOR DIGGLE — Oliver (Stephen Amell) and Lyla (guest star Audrey Marie Anderson) team up on a secret mission for Diggle (David Ramsey). Felicity (Emily Bett Rickards) finds out and disapproves of the plan and opts to stay behind. When Tobias Church (guest star
