

The concept artist Oliver Pron (Cloud Atlas, Jupiter: Ascending) has shared some of the pre-production concept arts used later by Marvel Studios to bring crazy, mind-bending visuals to life. All of the concepts are related to the chase within the Mirror Dimension of the villainous Kaecilius and his Zealots, after our titular hero and Baron Mordo. Doctor Strange is still in theatres, recently crossing \$617 million worldwide. Check the new concept arts out below!
