

The year is 2084. Douglas Quaid is a construction worker, every night Doug has been having horrible nightmares about the planet Mars and it has become very obsessive for Doug. Doug goes to "Rekall INC" a company that sales false memories of ideal holidays. When Doug has a false memory of a holiday on Mars implanted, it all goes terribly wrong. Doug has lost his memory and he is being chased by a group of assassins and his beautiful wife Lori is a agent who claims his whole life is a fake and he isn't who he is. After discovering he is Hauser, a former Mars Intelligence agent, Quaid goes to the colony on Mars, in hoping of finding answers. Where he meets a woman named Melina who is working for rebels and the assassins are working for Vilos Cohaggen, the colony's corrupt administrator. As Doug sets out to discover who
