

On the heels of today's batch of character posters, we have this new official still from the Power Rangers reboot, giving us a new look at the cast of young heroes: Dacre Montgomery (Red Ranger) Naomi Scott (Pink Ranger), Ludi Lin (Black Ranger), Becky Gomez (Yellow Ranger), and RJ Cyler (Blue Ranger). I'm not exactly well versed in Power Rangers lore so I haven't a clue what is it they're starring at, so if any of you guys have an idea please let us know.

Saban's Power Rangers follows five ordinary high school kids who must become something extraordinary when they learn that their small town of Angel Grove – and the world – is on the verge of being obliterated by an alien threat. Chosen by destiny, our heroes quickly discover that they are the only ones who can save the planet. But to do so they will have to overcome their real-life issues and band together as the Power Rangers before
