

To put that into perspective, the teaser trailer had a running time of one minute and twenty-eight seconds, and the first full-length trailer was two minutes and four seconds. So, we are only getting a slight bump in run-time. I just hope that all of that two minutes is never-before-seen footage. Here is another piece of info that some Batman fans might like, concerning the budget. Studios are traditionally coy about discussing movie budgets. So there is some dispute about which title cost the most. One person familiar with the "Dark Knight" budget but not authorized to speak publicly said the film cost between \$250 million and \$300 million. Another said it was closer to \$225 million. - L.A. Times The Dark Knight Rises hits theaters July 20th 2012 and stars Christian Bale as Bruce Wayne/Batman, Michael Caine as Alfred Pennyworth, Gary Oldman as Jim Gordon, Tom Hardy as Bane, Anne Hathaway as
