

On the heels of the recent Apocalypse Now-inspired poster, director Jordan Vogt-Roberts took to Twitter early this morning to debut this stunning "Japanese Kaiju" one-sheet for Kong: Skull island, which places the focus on the various vicious creatures the King will have to contend with when the film hits theaters next month. The image calls to mind the classic Godzilla posters from back in the day, and should help to get fans hyped for the inevitable showdown between these two iconic movie monsters. Check it out below, and let us know what you think in the usual place. A team of explorers and soldiers travel to an uncharted island in the Pacific, unaware that they are crossing into the domain of monsters, including the mythic Kong. Starring Brie Larson, Tom Hiddleston, Samuel L. Jackson, John Goodman, Jing Tian, Corey Hawkins, Jason Mitchell, John Ortiz, Shea Whigham, and Toby Kebbell, Kong: Skull Island is set to be released on March 10th, 2017.
