

The release of Doctor Strange is right around the corner (and just days away if you live overseas), and Marvel has today released yet another extended TV spot for the highly anticipated movie. There's snippets of new footage scattered throughout, and the battle between the Sorcerer Supreme and villainous Kaecilius gets a lot of coverage here as they to war in a very different looking New York. 6 Marvel And DC Comics Characters Portrayed Better On Television Than In The Movies Doctor Strange follows the story of neurosurgeon Doctor Stephen Strange who, after a horrific car accident, discovers the hidden world of magic and alternate dimensions. Set for release on November 4th, later this year, the cast includes Benedict Cumberbatch, Chiwetel Ejiofor, Rachel McAdams, Benedict Wong, Michael Stuhlbarg, Mads Mikkelsen, Tilda Swinton, and maybe even Robert Downey Jr.
