

As the release date for Marvel's latest adventure draws near, the clips are becoming more regular, and this is by far the most action-packed sneak peek we've had yet. In it, we see Doctor Strange face-off against Kaecilius and his zealots in the Sanctum Sanctorum for the very first time, and considering he still hasn't mastered the mystic arts yet, he does pretty well for himself. Marvel's Doctor Strange follows the story of the talented neurosurgeon Doctor Stephen Strange who, after a tragic car accident, must put ego aside and learn the secrets of a hidden world of mysticism and alternate dimensions. Based in New York City's Greenwich Village, Doctor Strange must act as an intermediary between the real world and what lies beyond, utilising a vast array of metaphysical abilities and artifacts to protect the Marvel cinematic universe. Doctor Strange hits theaters on November 4.
