

Lucasfilm has just officially announced that "the next chapter of the Skywalker saga" will be titled Star Wars: The Last Jedi, and unveiled the teaser poster below. Ever since J.J. Abrams' *The Force Awakens* began its theatrical run fans have speculated about what the next instalment in the saga could be called, and more recently several rumoured titles did the rounds - but as far as we know nobody guessed it'd be anything like this. The Last Jedi doesn't necessarily refer to just one character, but obviously that is a possibility. Anyway, what do you guys think? Sound off below. Star Wars: The Last Jedi will star Mark Hamill, Carrie Fisher, Adam Driver, Daisy Ridley, John Boyega, Oscar Isaac, Lupita Nyong'o, Domhnall Gleeson, Anthony Daniels, Gwendoline Christie and Andy Serkis, as well as franchise newcomers Benicio Del Toro, Laura Dern and Kelly Marie Tran. The film is set to hit theaters Dec. 15, 2017.
