

Sunday's episode of The Walking Dead saw the situation on Hershel's farm reach a grizzly boiling point that ended with the revelation that Sophia had been in the barn full of walkers the entire time. It fell to Rick to put the girl down and while fans have been left with many questions about the twist (Why didn't anyone living on the farm mention finding a little girl? Why didn't Glen or Patricia spot her when they were in the barn recently?) Well, the following preview clip seemingly answers at least one of those while also teasing where things will go from the conclusion of the mid-season finale. The Walking Dead returns to AMC on February 12, 2012.
