

An official guide for The Walking Dead will be released in the form of a book named, The Walking Dead Chronicles - The Official Companion Book, which will contain an exclusive behind-the-scenes guide for the show. The book focus on the making of the first season of the Television Series, and the creation of the comic book on which the show is based. The Walking Dead Chronicles - The Official Companion Book is illustrated with all new unit photography, storyboards, set designs, makeup and visual effects shots, and with comparisons of the comic pages to the TV Show. It'll also have new interviews with the executive producers of the show, comic book creator Robert Kirkman, and with the cast and crew. The book will also contain a detailed guide for the episodes in sidebar form, which will reproduce excerpts from early drafts and final scripts, revealing new directions for the second season and
