

AMC has released a couple of clips from this Sunday's midseason finale of The Walking Dead, "Hearts Still Beating", and while they don't take us back to Negan and Carl's awkward little house-sit in Alexandria, they do show us what's going on with Carol and Morgan in The Kingdom. We also find out how Rick and Aaron are doing on their supply run, and it... could be better. Check out the sneak peeks below, and let us know what you think is going to go down on The Walking Dead this weekend.
