

The first half of The Walking Dead just wrapped up on AMC and we have several months to mull over the occurrences that we witnessed in the mid-season finale. One of the most intriguing things we saw was Shane's emotional eruption; one that had been building for some time. I think most would agree that Bernthal is among the breakout stars in the series and his character will lead to some very interesting story line twists and such. Bernthal recently talked with The Wrap about his character and the direction his relationship with Rick, played by Andrew Lincoln, could take. Here is a snippet from the interview, which you definitely want to check out, so hit the link below for more from Jon Bernthal! TheWrap:Are you getting a lot of feedback from fans, and how strongly they're reacting to Shane and his actions in season two? Jon Bernthal: You know, I am. I mean, it's always kind of
