

Source: Ghost Rider: SOV Official Site Following a slew of bad reviews pouring out of BNAT 2011, expectations for the film were at an all-time low but a new trailer managed to raise the ol' optimism meter a few clicks. I'd also point out that many of the critics [some not all] who bashed the film, have made a living off of being internet blogger curmudgeons that bash anything and everything as creatively as possible. For me, I think I'll be seeing this in the theaters regardless of what the critics say. Running Time: Unknown Release Date: February 17, 2012 MPAA Rating: PG 13 for for intense sequences of action and violence, some disturbing images, and language Starring: Nicolas Cage, Violante Placido, Ciaran Hinds, Idris Elba and Johnny Whitworth. Directed by: Mark Neveldine and Brian Taylor. Follow @MarkJulianCBM
